stantially stated to be the position of this country from the time of Presi-

this country from the time of Presi-dent McKinley on down, it has been falsely labelled an "independence" bill, and the impression has been widely conveyed that it alters in some vital,

radical way the orderly progress of the self-government of the Filipino people. Such an interpretation creates an abso-

ral of the Philippine Islands, was the

first one to announce that the motto of the American administration was "the Philippines for the Filipinos." He prop-erly and bitterly resented criticisms against him for taking this position. He

constantly stated that this was the only

position which any one, acting in good faith and with the honor of his Govern-

ment in his keeping, could take; that from the very beginning this was the announced policy of this country con-stantly iterated and reiterated by the Presidents of this country, by its repre-sentatives and by its Congress. No one has so plainly set forth as has Presidents

the country for their own benefit.

"President Taft was absolutely justified in his bitter denunciation of these attacks, which makes it all the more

amazing to find him indulging in ex-actly the same conduct toward those who

allowed more than half a pound of but-ter, margarine, lard or a substitute per person. Butter cards for the week are ward to with feelings of tense expecta-tion. There is considerable anxiety that tels, which are supplied on a basis of tels, which are supplied on a basis of 75 per cent. of the quantity consumed in October. A municipal butter supply bureau has been opened to commandeer the entire available supply.

Vorwarts protests against the prices of beef, bacon and lard, and complains that it is impossible to buy butter in many parts of Berlin. A Socialist member of the Reichstag writes to Vorwaerts as follows:

"The prices fixed by the Bundesrath for the sale of pork are too high. Ex-orbitant prices are charged for less edi-ble portions of the pig. An opportunity should be afforded to the poorer classes to buy the less valuable parts of meat

market scenes in this wise:
"No sooner does one wholesale butcher hang out half a pig than a crowd of themselves from being plunged into retailers storms the shop and there is a violent struggle to see which shall first stamp the carcass as his own. The price is not discussed or the other condi- talns is continuing. More prisoners tions of the sale—that comes afterward, at which scenes of unparalleled wrangling take place. It often happens that half a dozen butchers stamp the same carcass in their eagerness to gain possession of it, and by doing so they render the future disjointing of the animal much eager. It not of Monastir. There is quiet along the Anglo-French front.

Further indications are seen that mal much easier. It puts one in mind

London, Nov. 29.—Energetic action is eing taken by the German Government stop the reports of starvation which re emanating from that country.

Count von Schwerin Loewitz, president country that the success promised in the first place. The adoption of two more meatless days a week has already become important with most femilies. In imperative with most families. In these cases the prohibitory act results in no economy whatever. Among those well to do families which use meat result is to rekindle the enemy's hopes of a final victory."

According to Reuter's Amsterdam correspondent, the Telegranf is informed on good authority that serious rioting took place last Saturday in Berlin, Several thousand women gathered before titles must be found.
